- Quilt Batting or Fusible Fleece for four placemats – approximately 2 yards.

WINDHAM FABRICS
Sewing instructions for Table Runner:

**Constructing the Block**

1. After printing foundation patterns trim each section leaving the seam allowance. You will be chain piecing so put all the B’s patterns together with appropriate fabrics. Repeat for A and C. Refer to pictures for hints on how to sew each tree.
   a. Hint: Sewing with smaller stitches and larger needle will make it easier to remove paper after joining the blocks.
   b. Hint: Remember tape can fix a torn paper foundation. (In case you have to unsew.)

1. Place the wrong side of the fabric on the back of the foundation pattern. Sew on line as indicated in picture 1. This will make joining the next piece easier. Sew the first seam on all B trees. Chain piece for all three trees.
2. Fold paper back on the sewing line. Trim leaving a quarter of an inch seam allowance on all three trees.
3. Position sky rectangle (B2) right side toward tree as indicated. Sew on the previously stitched line. Sew all three trees. Press away from tree.
4. Trim all three trees even with seam allowance as pictured.
5. Fold paper back on the sewing line and trim leaving a quarter inch seam allowance. Place sky rectangle (B3) even with seam allowance. Stitch all three trees on the pattern line. Press and trim as before.

6. Place Forest Floor fabric square as pictured. Stitch on line. Press, then trim. Do the same for all three B trees.

7. Press and trim. Do not remove the paper until after joining all the three trees together.
   
   Hint: Spraying paper lightly with water will make it easier to tear off paper.

8. Repeat for A and C trees. Attach the Sky rectangles as you did for the Forest Floor.

9. Assemble the tree section as pictured. Make three blocks.

10. Attach the red stripe sashing to blocks and join blocks as pictured. Press and trim. Then add the side borders.

11. Repeat for second border sewing the sides first, then the top and bottom.

12. Make sandwich. Quilt as desired. Trim and add binding.
