## CUTTING

Cut (2) 12" x width of fabric (WOF)

## ASSEMBLY

1. With right sides together, sew a 1/2" seam on one short end. You do not have to cut off the seam allowance as that gives you a nice finished edge. Press seam open. Sew a 1/4" stitch on each side of the seam to hold seam allowance flat. Repeat for the other end. You have created a circle.
2. With wrong side facing up, fold 1/4" on one long edge toward the wrong side and press flat. Fold an additional 1/2" and press flat. Using a wide zigzag stitch, Sew seam allowance down. Diagram 1  
Repeat for the other long edge.
3. Infinity scarf is now finished and ready to wear.

You can choose from any one of our Kantha patterns to make your scarf!
