## Borders

From the pink solid, cut (5) strips 2" x WOF. Cut two of the strips down to 2" x 40.5". Cut 2 pieces from one of the remaining strips and attach them to the other two remaining strips so that they are 2" x 53.5".

## Piecing instructions:

1. Cut out 80 copies of the paper pieced Mariposa block making sure not to cut off the seam allowance.
2. Dab a glue stick onto the back of the paper block in the middle of the "A1" area and stick a 5.5" x 6.5" rectangle onto the back of the paper block with the wrong side of the fabric touching the paper. Make sure that the entire area is covered and that there is a 1/4" overlap on each side.
3. Place a 1.5" x 6.5" onto A1, right sides together, so that the white fabric overlaps 1/4" into the A2 section. Turn the paper over so that you can see the printed line and stitch along the line between A1 and A2 with a short stitch length.
4. Trim the seam allowance to 1/4" and press the white fabric into the A2 area.
5. Repeat with the remaining A3 - A8 pieces.
6. Once the block is pressed, turn it over so that you can see the printed lines. Trim along the edge of the paper. Your block should be 5.5" x 5.5".
7. Carefully pull away the paper from the back of the block.
8. Join together 4 identical blocks as shown in Figure 1.
9. Piece the blocks into a quilt that is 4 blocks x 5 blocks.
10. Add the 2" x 40.5" strips to the top and bottom of the quilt and press. Add the 2" x 53.5" strips to the remaining sides and press.
11. Add the 5" x 53" butterfly border to each of the longer sides of the quilt and press. Add the 5" x 52.5" strips to the top and bottom of the quilt and press.

12. Baste, quilt, and bind as desired.
