Binding :::: 41894-6 Charcoal 1/2 yard

Before You Begin:
- Read through all directions first
- All seam allowances are a scant 1/4"
- RST stands for “Right Sides Together”
- WOF stands for “Width of Fabric”
- Fabric requirement assumes 40” between selvages
- Extra fabric will be required if using directional prints or if pre-washing your fabric
Cutting Instructions

White 41889-2
- Cut (1) 27 1/2" x 27 1/2" square.
Black 41889-1
- Cut (2) 10" x WOF strips, sub-cut from one of them (3) 10" x 10" squares. From the other WOF strip, cut (1) 10" x 10" square for a total of four.
Red 41894-5
- Cut (1) 9 1/2" x WOF strip, cut (4) 9 1/2" x 9 1/2" squares.
- Cut (2) 5" x WOF strips, sub-cut each into (4) 5" x 9 1/2" rectangles for a total of eight.
Yellow 41894-9
- Cut (2) 5" x WOF strips, sub-cut each into (4) 5" x 9 1/2" rectangles for a total of eight.
Teal 41894-8
- Cut (6) 5" x WOF strips, sub-cut each into (4) 5" x 9 1/2" rectangles for a total of 24.
White 41892-2
- Cut (12) 5" x WOF strips, sub-cut each into (7) 5" x 5" squares for a total of 84. This project only requires 80 squares, so there are 4 extra.
- Cut (2) 10" x WOF strips, sub-cut from one of them (3) 10" x 10" squares. From the other WOF strip, cut (1) 10" x 10" square for a total of four.
- Cut (1) 7 1/4" x WOF strip, sub-cut from it (2) 7 1/4" x 7 1/4" squares. Then cut those squares once on the diagonal to create a total of four triangles. These triangles are called the "corner triangles".
- Cut (2) 14" x WOF strips, sub-cut from each (2) 14" x 14" squares for a total of four squares. Then cut each of those squares twice on the diagonal to create a total of sixteen triangles. These triangles are called the "setting triangles"

Piecing The HST (Half Square Triangles):
1. Take (1) 10" x 10" White 41892-2 square and (1) 10" x 10" Black 41889-1 square and place them RST.
2. With a pencil, mark a diagonal line from one corner to the next.
3. Sew a scant 1/4" away from the pencil line on both sides as shown in the diagram.
4. Cut on the line, separating the two halves; which now creates 2 HST (Half Square Triangles). Trim each HST to 9 1/2" x 9 1/2".
5. Repeat the steps three more times for a total of eight HST. If using directional fabric, pay attention to the direction in which the diagonal line is heading.
Piecing The Flying Geese:

1. Take (2) 5" x 5" White 41892-2 squares and lightly mark a diagonal line on the wrong side. This is the sewing line.

2. Following the diagram, sew (1) 5" x 5" White 41892-2 square to (1) 5" x 9 1/2" Red 41894-5 rectangle RST on the diagonal line drawn in Step 1. Leaving a 1/4" seam allowance, cut off the excess fabric and press the remaining triangle shape open. Repeat for the other 5" x 5" White 41892-2 square until you have a finished Flying Geese Block.

3. Repeat Steps 1 & 2 until you have completed the necessary amount of blocks as directed below.
   - Combine (2) 5" x 5" White 41892-2 squares with (1) 5" x 9 1/2" Red 41894-5 rectangle for a total of 8 Flying Geese Blocks.
   - Combine (2) 5" x 5" White 41892-2 squares with (1) 5" x 9 1/2" Yellow 41894-9 rectangle for a total of 8 Flying Geese Blocks.
   - Combine (2) 5" x 5" White 41892-2 squares with (1) 5" x 9 1/2" Teal 41894-8 rectangle for a total of 24 Flying Geese Blocks.

Laying Out The Blocks & Sewing Rows:

- Following the diagram, lay out the HST and Flying Geese blocks surrounding the large White 41889-2 center square and add in the 9 1/2" x 9 1/2" Red 41894-5 squares as shown.
- Add in the "Setting Triangles" and "Corner Triangles" as shown.
- Sew the blocks RST one row at a time. When sewing the "Corner Triangles", be sure to center it with the block it will be sewn to, the corners of the triangle will extend past the block. When sewing the "Setting Triangles", be sure to match up the corner as shown on the diagram with the green dot, again the corners of the triangle will extend past the block.
- Repeat the steps above until all rows are finished.
- Sew the rows RST matching up the seams. Press
- Square up the quilt top as needed.
Finishing The Quilt:

- Due to the size of the quilt, you will need to piece the back. Please be sure to leave a minimum of 4” excess on all sides for ease of quilting.
- Press your quilt top and backing, so they are wrinkle-free and flat.
- Layer your quilt top, batting and backing.
- Baste.
- Quilt as desired.
- Bind the quilt using your favorite method.
