| ![Sample Picture] | 32594-2 | Cut 2 strips 5 1/2” wide x WOF. Cut 10 RECTANGLES 5 1/2” x 6 1/2”.
| Pink            |          |                                                                                                                                                      |
| ![Sample Picture] | 32595-2 | Cut 1 piece 20 1/2” long x 30 1/2” wide. Make sure the stripe runs up and down as shown in the picture. Cut 5 strips 2 1/2” wide x WOF. Set aside for outer border. Do not cut finished lengths until quilt center is complete. |
| Pink            |          |                                                                                                                                                      |
| ![Sample Picture] | 32599-2 | Do not cut finished lengths until quilt center is complete.                                                                                           |
| Pink            |          |                                                                                                                                                      |
| ![Sample Picture] | 32597-4 | Cut 4 strips 1 1/2” wide x WOF. Set aside for border #1.                                                                                               |
| Yellow          |          | Cut 1 strip 4 1/2” X WOF. Cut 4-4 1/2” squares for cornerstones of border #2. Trim remainder of strip down to 2 1/2”. Cut 4-2 1/2” squares for cornerstones of outer border. Cut nose and heart using templates provided for trim on bear. |
| ![Sample Picture] | 32599-4 |                                                                                                                                                      |
| Yellow          |          |                                                                                                                                                      |
| ![Sample Picture] | 32600-2 | The fabric for the middle border is DIRECTIONAL. For side borders, cut 2 strips 42 1/2” along the length of fabric. The strip will be about 4 1/2” wide, but adjust width to make the motif complete with seams. For top and bottom borders, cut 2 strips 32 1/2” across the fabric. Cut the same width as the side borders. |
| Pink            |          |                                                                                                                                                      |
Assembling the quilt center:

1. Alternating the pink and yellow rectangles, sew 4 rows of 5 rectangles. Begin two rows with pink and two rows with yellow.
2. Sew two rows together to make a checkerboard. Make two. Have one start with a pink rectangle and the other with a yellow rectangle. Refer to picture.
3. Sew one set of two rows to the top of the stripe block and two rows to the bottom. Refer to the picture.
5. Repeat measuring and sewing borders as above for other borders.

Finishing the quilt:

1. Make sandwich of quilt top, batting, and backing.
2. Quilt as desired.
4. Place bear onto quilt as desired. Refer to the picture or make up your own placement.
5. Attach to the quilt using your favorite applique method.
6. Add the heart, nose and eyes. Play with the placement to get exactly the facial expression you like! If you are having a hard time getting a face you like, tape the templates together and draw (in pencil!!) until you have what you want. Refer to the picture, but remember that it is this that will make each bear unique to your quilt!!
7. Mark the lines on the bear. Quilt into flurr with a narrow satin stitch. Define the nose, the forehead, the ears, feet, and body lines.
8. Wrap your baby girl up in the quilt and bear hug her well!

Enjoy!
