Making Quilt

- Refer to quilt picture for accurate color placement. Make a strip set using the 4 shorter flag strips. Join strip set to navy stars rectangle.
- 2. Make a strip set using the 4 longer flag strips. Join to top half of flag.
- Sew the top left background triangle to left hand side of flag.
- 4. Sew top middle triangle to large red rectangle on shorter left side. Join to top of flag.
- 5. Sew top right background triangle to top of red rectangle. (The triangle will not reach to the end of the red rectangle. The corner will be trimmed off later.)
- 6. Sew bottom triangles to either side of flag as pictured. Trim red rectangle even with background. The width is approximately 32 ½ inches wide by 28 ½ inches high. If your measurements are different adjust the length/height of the white border strips to make a 32 ½ inch square.
- 7. Add blue border strips to sides, then top and bottom.
- 8. Make a quilt sandwich. Quilt as desired. Bind with the red strips.
