General Instructions

Use 1/4" seam allowances throughout. Labeling the cut pieces and the pieced units will make assembly a breeze. Accurate cutting and seam allowances will insure success. It is suggested that all seams should be pressed open to reduce bulk. Please read the instructions carefully as there are many pieces and fabrics used. The old saying "check twice cut once" should be followed.

Runner House Blocks

The Runner requires two house blocks. The line diagram applies to both blocks.

Assembly

Sew together two piece B's, 2 piece C's and one piece D in the order shown below. Label it House Row 1.

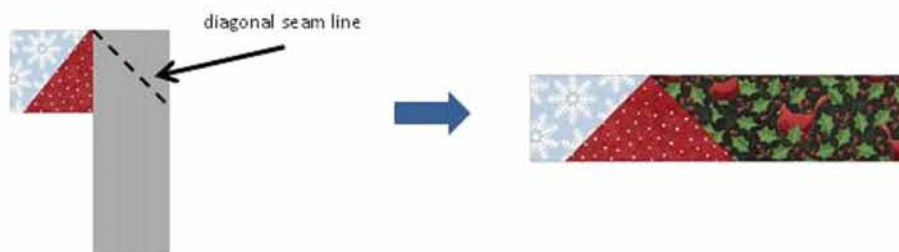

Piece B Piece C Piece D Piece C Piece B

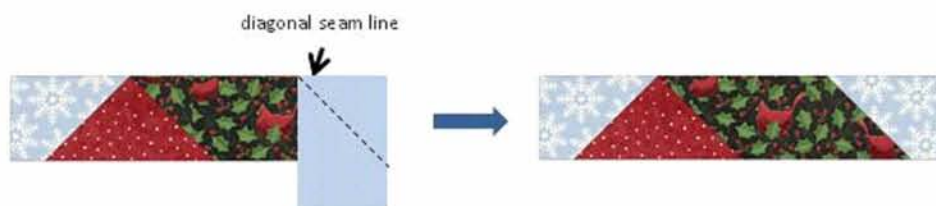

Place a Piece F on top of a Piece E right sides together (RST) with the long side of F perpendicular to E aligned with the lower right corner and side of E. On the wrong side of F draw a diagonal line from the lower left corner to the point where the top right corner of E intersects. Sew on the line. Press, flip and trim leaving a 1/4" seam allowance.

Place a Piece G on the right end of the unit just completed - RST- with the long side of G perpendicular to the unit and aligned with the upper right corner and side. On the wrong side of G draw a diagonal line from the upper left corner to the point where the bottom right corner of the unit intersects. Sew on the line. Press, flip and trim leaving a 1/4" seam allowance.

Place a Piece E on the right end of the unit just completed- RST- with the long side of E perpendicular to the unit and aligned with the upper right corner and side. On the wrong side of E draw a diagonal line from the upper left corner to the point where the bottom right corner of the unit intersects. Sew on the line. Press, flip and trim leaving a 1/4" seam allowance. Label this House Row 2.

Sew a piece K to each side of a piece L. Sew a piece I to the top of the unit. Label this Unit 1.

Fussy cut a snowman circle of your choice from Fabric 5. Applique it to the house block using your favorite method - placing it as shown. The block should measure 12 1/2" X 12 1/2".

Runner Center Blocks

There are four blocks that form the center of the runner. Make 2 each of Block 1 and Block 2. Diagrams are shown at right.

Cutting Instructions

Fabric 1 (House Scene)

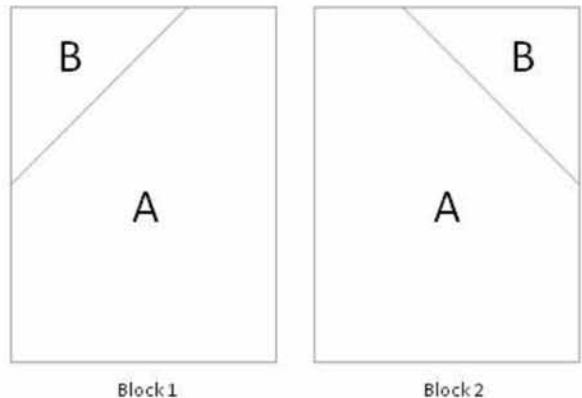

Cut 1 strip 12 1/2" WOF.

Sub-cut 4 rectangles 12 1/2" X 9 1/2". Mark them piece A.

Fabric 9 (Red Pin Dot)

Cut 1 strip 6 1/2" X WOF.

Sub-cut 4 squares 6 1/2" X 6 1/2". Mark them piece B.

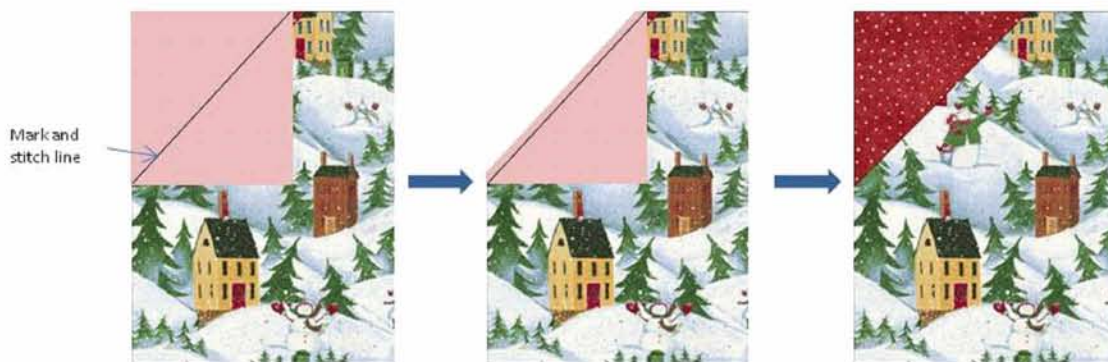

Block 1

Block 2

Assembly

Block 1

Align a piece B in the upper left hand corner of a piece A RST. Mark the diagonal on the wrong side of piece B from the lower left corner to the upper right corner. Sew on the line, - press, flip and trim leaving a 1/4" seam allowance. Make two blocks that should measure 9 1/2" X 12 1/2".

Block 2

Use the same process to make two more blocks. Place Fabric B in the upper right corner RST and mark the diagonal from upper left to lower right.

Runner Tree Blocks

Rotary cutting template diagrams can be found in Appendix 1 and a single piece applique pattern can be found in Appendix 2. Choose the method you prefer. Make a total of two trees.

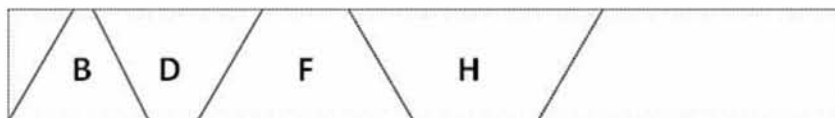

Template Method (Diagram at right)

Trace the templates A – H in appendix 1 onto template plastic and cut out.

Fabric 2 (Green Tree Fabric)

Cut 1 strip 3 1/2" X WOF.

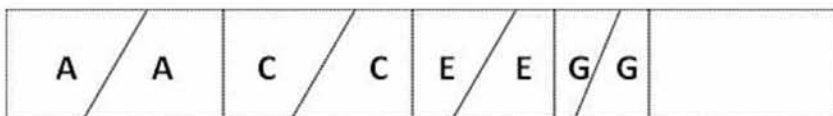

Fold the strip in half wrong sides together (WST). Align the templates B,D,F, and H matching the bases and fabric edge as shown below. Cut the template using your rotary cutter and ruler. Folding the strip in half yields two pieces of each template. Cut each template once.

Fabric 6 (Blue Snowflake)

Cut 1 strip 3 1/2" X WOF.

Fold the strip in half WST. By folding the strips in half each template cut will yield the piece and it's reverse. (i.e. A and A Rev.) Using templates A,C,E and G - cut each template two times as shown below.

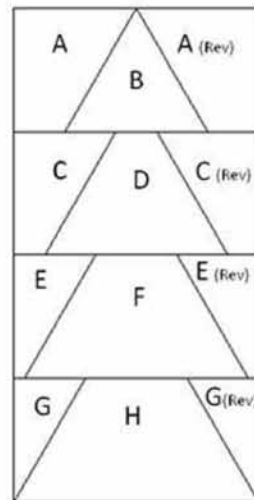

Assembly

All seams should be pressed to the green fabric.

Sew piece A to the left side of piece B. Sew piece A(Rev) to the right side of the unit as shown. The unit should measure 3 1/2" X 6 1/2". Make two units and mark them Tree Row 1.

Sew piece C to the left side of piece D. Sew piece C(Rev) to the right side of the unit as shown. The unit should measure 3 1/2" X 6 1/2". Make two units and mark them Tree Row 2.

Sew a piece E to the left side of piece F. Sew a piece E(Rev) to the right side of the unit as shown. The unit should measure $3\frac{1}{2}" \times 6\frac{1}{2}"$. Make two units and mark them Tree Row 3.

Sew a piece G to the left side of piece H. Sew a piece G(Rev) to the right side of the unit as shown. The unit should measure $3\frac{1}{2}" \times 6\frac{1}{2}"$. Make two units and mark them Tree Row 4.

Sew the Tree Rows together in order (1-4) to complete a tree block that should measure $6\frac{1}{2}" \times 12\frac{1}{2}"$. Make two blocks.

Page 8

Applique Method (Diagram at right)

The Tree pattern is in two pieces in appendix 2. Cut out the pieces and align to make a full template. The template should measure 12" tip to base. Remember to add 1/4" if using needle turn applique.

Trace the tree pattern onto a fusible applique product if using raw edge applique. Fuse to the wrong side of the fabric and cut out on the line. Make 2 trees.

Fabric 6 (Blue Snowflake)

Cut one strip - 7" X WOF.

Sub-cut 2 rectangles 7" X 13"

Center the trees in the Fabric 6 rectangles and fuse or applique in place. Trim the rectangles to 6 1/2" X 12 1/2" leaving 1/4" at the bottom and top as shown in the diagram (1/4" from tree base and the base tips on the lower left and right and the tree tip). Raw edge applique does not require decorative stitching but it is recommended (small zig-zag, blind hem, blanket stitch, etc.).

Runner Assembly

Fabric 3 (Black Cardinal)

Cut four strips 1 1/2" X WOF.

Join with diagonal seams to form 1 long strip.

Sew the four center blocks together. The center unit will measure 18 1/2" X 24 1/2".

Sew a tree block to the left side of each house block. These units will measure 18 1/2" by 12 1/2".

From the Fabric 3 strip-

Cut two strips 1 1/2" X 18 1/2" and sew these strips to each 18 1/2" side of the center unit. This unit will measure 18 1/2" X 26 1/2".

Sew the house/tree units to each 18 1/2" side. The unit will measure 18 1/2" X 50 1/2".

From the Fabric 3 strip-

Cut two strips 50 1/2" long and sew to each long side.

Cut two strips 20 1/2" long and sew to each end to complete the runner.

The Runner should measure 52 1/2" X 20 1/2".

Sub-cut 16 squares 2 1/2" X 2 1/2" and mark them piece C.

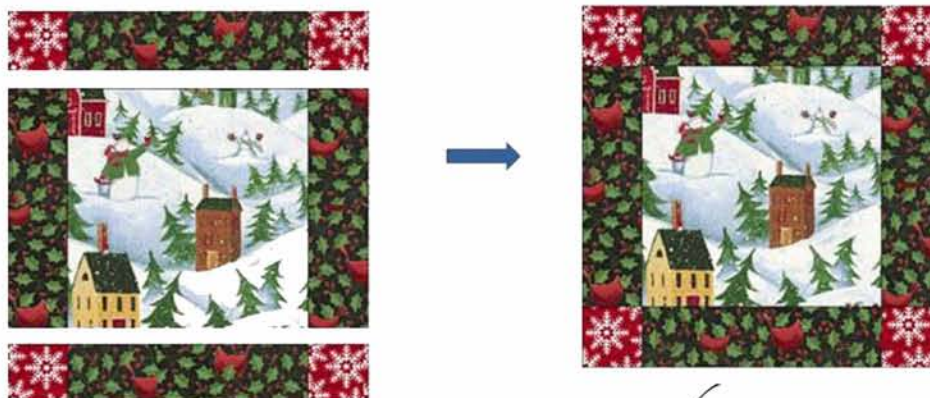

Assembly

Sew a piece B to each side of piece A as shown.

Sew a piece C to each side of piece B as shown – Make 2 units.

Sew a C/B/C unit to the top and bottom of a B/A/B unit to form the block as shown. The block should measure 12 1/2" X 12 1/2". Make 4 blocks.

Placemat Assembly

Fabric 4 (White Cardinal)

Cut 8 strips 1 1/2" X WOF(for 4 placemats).

Sew a tree block to the left side of an uneven nine patch block. The center unit will measure 18 1/2" X 12 1/2".

From a Fabric 4 strip cut two pieces 1 1/2" X 18 1/2". Sew these strips to the top and bottom of the center unit. The resulting unit will measure 18 1/2" X 14 1/2"

From a Fabric 4 strip cut two pieces 1 1/2" X 14 1/2". Sew to each side.

The placemat should measure 20 1/2" X 14 1/2".
