Making the Quilt

1. Sew each triangle of the multi dot to a black and white triangle creating 48 squares. Press. Check measurements of squares and trim squares to 9 1/2".

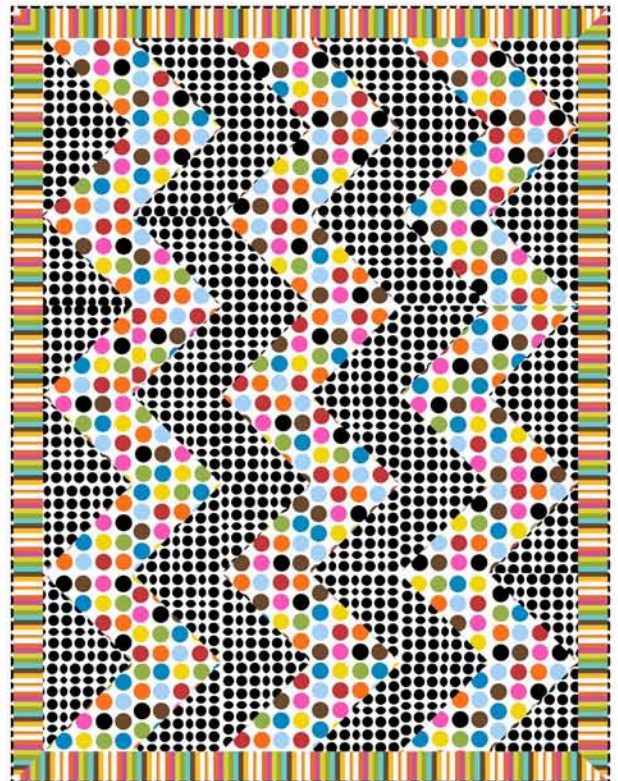

2. Arrange the squares to form the zigzag pattern. Sew together in rows. Press seams in opposite directions. Sew rows together. Press and square up corners as needed.
3. Sew side striped strips first then sew on the top and bottom strips.

Finishing the Quilt

1. Divide backing into 2 lengths. Join panels lengthwise. Seam will run horizontally.
2. Layer backing, batting, and quilt top. Baste and quilt as desired.
3. Join 2 1/4" or 2 1/2" wide strips into 1 continuous piece for binding. Fold lengthwise and press. Trim and square quilt. Sew binding to quilt with a quarter inch seam. Either hand stitch in place; or turn, press, and machine stitch in the ditch.
