## Making the Blocks

All seam allowances are 1/4".

1. To make each block you will need (4) matching print squares, (3) white squares, and (1) coordinating solid square. Place (1) print square right sides together (RST) with (1) coordinating solid square, and pin in place. Sew around the entire perimeter of the square. Cut the squares into quarters on the diagonal to yield (4) half square triangles (HSTs) as illustrated in Fig. 1. Press seam towards the darker fabric. Trim each HST to 4 1/2" square. Repeat with the remaining print and white squares.

*Please note that the HSTs will have bias cut edges that can stretch. Handle carefully and use plenty of pins when assembling into blocks.*

4. Repeat steps 1-3 to make a total of 16 blocks, referring to the quilt photo for color combinations.
