This quilt is assembled in vertical rows. Each of the 12 rows are varying widths. For each VERTICAL row we list the strip width to cut. The next two pages have the fabric swatches listed across the top and then below each swatch you will see the number of "re-cuts" to make from that pre-cut strip. The width of the rows is as follows:

- Row 1 - Cut each fabric that appears in this vertical row to 5" x wof (width of fabric). The recuts appear on the following pages.
- Row 2 - Cut each fabric that appears in this vertical row to 2" x wof. The recuts appear on the following pages.
- Row 3 - Cut each fabric that appears in this vertical row to 2 1/2" x wof. The recuts appear on the following pages.
- Row 4 - Cut each fabric that appears in this vertical row to 4 1/2" x wof. The recuts appear on the following pages.
- Row 5 - Cut each fabric that appears in this vertical row to 5" x wof. The recuts appear on the following pages.
- Row 6 - Cut each fabric that appears in this vertical row to 2" x wof. The recuts appear on the following pages.
- Row 7 - Cut each fabric that appears in this vertical row to 5" x wof. The recuts appear on the following pages.
- Row 8 - Cut each fabric that appears in this vertical row to 2 1/2" x wof. The recuts appear on the following pages.
- Row 9 - Cut each fabric that appears in this vertical row to 4 1/2" x wof. The recuts appear on the following pages.
- Row 10 - Cut each fabric that appears in this vertical row to 4 1/2" x wof. The recuts appear on the following pages.
- Row 11 - Cut each fabric that appears in this vertical row to 2" x wof. The recuts appear on the following pages.
- Row 12 - Cut each fabric that appears in this vertical row to 4 1/2" x wof. The recuts appear on the following pages.

It is best to keep the strips and patches of each row separate (and labeled) to avoid confusion when assembling the vertical rows. Use the colored photo of the quilt to aid in assembly.

*Special Note: For stripe 33407-3 Deep Indigo, please cut all strips with * first before cutting the rest of the strips in that fabric*

Construction:

All seam allowances are 1/4" wide.

Following the picture, take all the strips for each row and sew together end to end. Once all of the rows are sewn together, join each of the 12 vertical rows to each other making the quilt top.

Add batting and backing, then quilt as desired. Bind and you are finished! **ENJOY!**
