

Wild West with Buffalo Bill

Like many beginners I have never put together a quilt from scratch or tried to tackle what can appear to be such a daunting task. The terms used in instructions always made the project sound so intimidating. Rectangles, squares, triangles, measurements! I have already forgotten my math classes from long ago (or would like to forget them).

So when I took on this project to write these instructions, I was delighted to work on a quilt that is as easy as 1, 2, 3.

If you are a beginner or a veteran quilter, you can appreciate a quilt that is quick and easy, especially when the time is short and there are so many other things to do when the weather is nice. Nothing like being able to put something together that is not only easy but will be beautiful when you are done.

You can start using this quilt right away or give it as a gift that is sure to please and overwhelm the grateful receiver.

Enjoy our Buffalo Bill quilt - Happy quilting!

Wild West with Buffalo Bill

Designed by Laura Jaquinto
Featuring fabric from the Buffalo Bill Collection
in Association with the Buffalo Bill Historical Center
Finished Quilt Size: 45" x 56"

FABRIC REQUIREMENTS:

1-3/4 yd Panel - SKU # 30060-X Multi
1/3 yd Binding - SKU # 30055-1 Red
1-3/4 yd Backing - SKU #30058-2 Tan

Crib size batting (54" x 60")

CUTTING DIRECTIONS:

Panel SKU # 30060-X - trim to 56" in length. Trim away any wording on selvage of fabric
Binding SKU # 30055-1 - cut (5) 2-1/2" x width of fabric strips

EASY INSTRUCTIONS:

Layer quilt top, batting and backing together.

Baste to hold layers together.

Quilt together by machine using your favorite quilt design.
Or you can outline each of the sampler blocks on the quilt top.

Trim batting and backing to the same size as the quilt top.

Binding: Take 2-1/2" wide strips of binding fabric and sew end-to-end until you reach length needed for each of the 4 sides of the quilt. Fold in half lengthwise with wrong sides together and press the fold line.

Align the raw edges of the folded binding strip even with the raw edge of the quilt top and stitch together 1/4" from the edge. Turn the folded edge of the binding to the back of the quilt and stitch in place.

YOU ARE DONE!!

You now have a lap quilt that is not only beautiful and functional but you made it in less than ONE Day!!

Enjoy!!
